FROM THE DUGOUT

MATT WOOLLEY

1874 Northwich's Matt Woolley is hoping for a slice of luck this weekend, as the greens entertain Avro at Townfield this weekend.

Coming off the back of a narrow 1-0 defeat to Runcorn Linnets last weekend, Matt was quick to praise the effort of the players, despite the result.

"Last weekend showed how cruel football can be, when you are in a bit of bad form often you don't get that little bit of luck."

"I thought a draw would have been a fair result but I thought the attitude and commitment was the best we have seen for a while."

"The lads have now showed what they are capable of and the levels they can reach so for us to improve and start getting some results that has to be the benchmark."

Avro have impressed in the early stages of the season, and find themselves in a play off position before kick off on Saturday. Woolley spoke about the importance of setting high standards from the off in order to stand a chance of forcing a positive result.

"Mark and I went to watch them (Avro) during mid week. They are a strong well organised side and very good defensively."

"It will be important we show the same levels of attitude and discipline from last week, this weekend and will need everyone to perform to the best of their ability."

"I would like to think we have all seen a difference in the players these last couple of weeks. I think the performances have deserved a little more than what we have got."

"I would like to thank everyone for their support over these last 2 weeks. We believe we are heading in the right direction and aren't far away from getting an important win. Once again we will give our all this weekend, we hope you can do from the terraces!"

1874 will be without Michael Ibeto who is ruled out with a broken foot, whilst the fitness of caretaker manager Mark Jones will be assessed ahead of kickoff. 1874 have however bolstered the squad with the addition of Elliot Coleman from Alsager Town, who has been brought in to provide cover.

SECRETARIAL MUSINGS

VICKI ENGLAND

Welcome back to Townfield for the next instalment in the league season. Today, we finally host everyone from Avro, this game has been ‘waiting in the wings’ for nearly four years!

We first played Avro in October 2019, when they entered the North West Counties Premier Division. We were just about ready to take all three points, when they scored a last minute equaliser and sent us home disappointed, however they were excellent hosts that day and we quickly built a rapport with them. Of course, Covid had other ideas and we were unable to host the return fixture, and this has sat in abeyance since. Avro FC have progressed each year and have certainly earned their promotion to the NPL West. Particular mention from me for Mark, their Matchday Secretary. He is someone that I have had a very good link with since.

We have met up at other games from time to time and as we are both Man United supporters too, we have suffered together quite a bit!

Avro are having a cracking season and currently sit in a play-off position in the table. They played on Tuesday evening and earned a good away win at Newcastle; this came after a draw against Mossley and a fantastic away win at Leek. So, this is another stern test for our young side, but I keep saying this, don't I!

In terms of our own situation, I can't tell you how made up I am at the response from everyone over the last couple of weeks. I know our last two games have not produced points, but it is definitely not for the want of trying. Last time at Townfield, two weeks ago, we succumbed to a defeat against Bootle. They deserved their win but the scoreline was harsh. It was good to feel a real togetherness in the squad and that translated onto the terraces too and it was heartening to see a healthy crowd with some returning faces.

Last Saturday produced mixed emotions. If you had offered me a one nil reverse before the game, I would have taken it given Runcorn Linnets were flying and we had recently had a tougher time. However, my mood

after this game was one of pride and disappointment. Pride at how the lads dug in and worked their socks off to thwart our hosts. You could not fault their togetherness and work rate and a draw would have been fair. But there was a disappointment that we did not get what we deserved. I think the lads faces showed that when they returned to the club after. It felt rubbish to succumb to a fluke goal, too!

I would like to thank the excellent number of Northwichers who travelled over and backed the boys, I have spoken to quite a few over the last few days and people are buoyed by the effort that the lads are putting in.

I must take this opportunity to mention some very special people, on and off the pitch because they have stood up even more over the last few weeks and have given every ounce of effort for the cause. Matt Woolley and Mark Jones have been unbelievable. Since BoGo's departure, they have taken on the very difficult role of keeping the squad on track and they have done that admirably. They have had a few things thrown at them, they've made some decisions in the best interests of the club and they have kept the lads together and motivated. Of course, their status was Godlike anyway, so I don't know what the next level is called!!

Matty Fenton has accepted the role as leader out on the pitch. He has taken over the skipper's armband; he has puffed his chest out and has led by example. He always gives his best anyway, but he has recognised that we need to turn the screw to squeeze every bit of work and effort out on the pitch, and he is leading by example.

These guys have been supported even more closely by Andy (who is carrying out a few additional tasks at

the moment, what a lad!), Katy, Phil, Cal and Lee Jones. I would also like to welcome GK Coach Dean along, who has been working with Ellis over the last couple of weeks and I would thank him for his invaluable support. These folks have also been awesome, and they are appreciated so much.

The recruitment process to find Paul and Wayne's successor is well down the line. The application window has now closed, and I can tell you that we have had some very good candidates. Members of the Board are now working their way through the recruitment process, and we hope to appoint someone as quickly as possible. I have had personal contact with some candidates, and I have had contact with other people who want to endorse candidates or provide background information on them.

It has been heartening to see that people care enough about the club, to get in touch. Let's see what happens, eh?!

Don't forget that the AGM is looming, and if you haven't got round to renewing your membership, then get cracking!. Time is running out. We're also selling tickets for the Christmas party on 29 December, please let Richard Stockton or another Board member know if you want to come along. Come on, you know you want to!

That's it for now, please continue to get behind the Matt, Mark and the team as they work hard for us. Your vocal support is more crucial than ever. lads.

A FOOT IN BOTH CAMPS

A familiar face in the Avro ranks will be goalkeeper coach and back up keeper James Coates who will be remembered by 1874 fans for a short spell he had with the club, playing 18 times in the 2018/19 season.

THE PREVIOUS MEETING

Garry Clarke takes a look back at previous meetings between 1874 Northwich and Avro.

There has only been one game played between 1874 Northwich and Avro as the return fixture was a victim of the Covid19 pandemic which caused the abandonment of the 2019/20 season.

2019/20

5th October 2019 - NWCFL Premier

Away - Drew 1-1 *Attendance 210*

1874 - Ormrod

Avro - Lacey

1874 Northwich were left wondering how they did not win this game with the amount of chances they created, including Nathan Okome having an effort cleared off the line and Scott McGowan twice hitting the woodwork.

Avro's Kyle Jacobs was shown a straight red card in the 56th minute three minutes before James Ormrod scored his first goal for the club getting his toe to a free kick whipped into the box and deflecting the ball past the keeper.

With the game having entered stoppage time, Avro launched one last attack with Lewis Lacey heading home an equalizer.

RESPECT INITIATIVE

SETTING STANDARDS AT 1874 NORTHWICH

1874 Northwich is supporting The FA's Respect programme to ensure football can be enjoyed in a safe, positive environment. As such, everyone at the Club, including managers, officials, players and spectators, have a responsibility to promote high standards of behaviour in the game, both on and off the pitch.

As Club Welfare Officer, I have a responsibility to communicate our safeguarding arrangements and expected standards of behaviour. This is becoming more relevant, as we are seeing more and more of our junior players watching the senior team and also some of our first team squad are under the age of 18. This means that as adults we need to be conscious of the example we are setting.

We rightly pride ourselves on being a family club and all have a part to play in making the matchday experience safe and enjoyable for our younger fans / players.

We would hope that you respect ALL players and officials. No one sets out to make mistakes, but they happen. So please play your part and observe The Football Association's Respect Code of Conduct in everything you do.

The following are extracts from the Club's spectator code of conduct as it applies to young people:

- Remember that young players are doing the best they can
- Applaud effort and good play as well as success
- Lead by example, always respect the match official's decision
- Encourage the players to respect the opposition, referee and match officials
- Avoid criticising a player for making a mistake – mistakes are part of learning
- Never engage in, or tolerate, offensive, insulting or abusive language or behaviour.

It is great to see so many youngsters at matches, both on and off the pitch, let's make them feel welcome.

Thanks,
Maggie Coats
Club Welfare Officer

HISTORIES AND PROFILES

1874 NORTHWICH

Each and every year has its notable events and occurrences that become part of history and in this respect 1874 is no different from any other.

For instance, not only did this 12-month period see the publication of Hardy's masterpiece 'Far From the Madding Crowd' but it also witnessed the birth of the literary giants GK Chesterton and Somerset Maugham, whilst a certain Winston Churchill also came into the world that year!

At a more prosaic level, the game of Lawn Tennis was patented by the wonderfully named Walter Clopton Wingfield and the nation's post-boxes were re-painted from their original Bronze-Green colour to the familiar red ones we see today. Meanwhile, in the game of football Aston Villa, Bolton Wanderers and Heart of Midlothian were all formed.

So, if you are an opposition fan reading this piece for the first time or simply someone who isn't aware of the history of 1874 Northwich, you may be under the impression that our club was created at the same time as 'The Villains', 'The Trotters' and 'The Jam Tarts'. But actually nothing could be further than the truth!

You see, 1874 was formed as recently as November 2012 when disaffected members of the Northwich Victoria Supporters Trust voted to create a new club.

Well, if you wish to fully acquaint yourself with the events that led up to the historic vote, you can do no better than turn to Mark Bevan's book 'Twenty Years of Madness' that was published in 2013. This excellent tome sets out the history of the Vics from 1992 – which is where Ken Edwards's earlier history of the Vics 'A Team For All Seasons' ended - to mid-2013, six months or so after the date that '74 was formed.

Suffice to say that by late 2012, the state of affairs at the club were such, that many Vics fans were utterly heartbroken, sick and tired of the manner in which their club had been 'managed' over the previous decade or more by successive regimes. In short, supporters had been belittled, demeaned and lied to by

those who had chosen to take on the task of running the oldest football club in Cheshire.

So the fans decided to take things into their own hands and create a truly democratic, open, inclusive fan's run club in which they had a direct say in. The name they chose for the new club – 1874 Northwich - was a nod to the distinguished history of the club that they had supported, followed and loved.

Following the vote a massive amount of hard work was put in by the fans to ensure that the club could commence playing at the start of the 2013/14 season. This included:

- Applying to join the North West Counties Football League
- Appointing our first 'Gaffer', Ian Street
- Signing our first ground sharing agreement with Winsford United

The level of support shown for the new club wasn't a flash in the pan either as during our first season 1874's average home league attendance was 320 – which put the club in the top 100 best supported clubs in non-league football.

That first season ended with the club being promoted to the Premier Division and the second proved to be equally successful with the club finishing in third place.

The 2015/16 season proved to be a steady campaign in the league with an eventual finishing spot of 4th, but it ended in a truly memorable manner when Ian Street's side outclassed local rivals and Step 3 outfit Witton Albion by a 3-0 score-line on their own turf to lift the Mid Cheshire District Cup for the first time.

This trophy was retained the following campaign with a 1-0 win over rivals Northwich Vics, but by this time the management of the club had passed into the hands of Paul Bowyer and Wayne Goodison – both of whom had been part of Ian Street's back-room team.

The impact of the new management team was truly remarkable, as the 2017/18 season proved to be an

exciting and memorable one, during which the 'Bo-Go' Green Army.

- Defeated National League North and former FA Trophy winners North Ferriby in the FA Cup
- Finally exited the competition on penalties in a 3rd Qualifying Round replay
- Reached the semi-finals of the FA Vase, only for eventual winners Thatcham Town to deny '74 a trip to Wembley by triumphing 4-2 on aggregate.
- Took hundreds of fans to away ties at Leighton and Thatcham
- Recorded a record home attendance of 1674 in the second leg of the semi-final against the Wiltshire outfit
- Ended the season by playing a mammoth 26 games in just 57 days and 69 games overall

Given the successes of the 17/18 campaign, it would have been astonishing if '74 had been able to equal the achievements of the previous season. After all, even the top clubs in the country struggle to repeat their immediate past triumphs – so why should this not be true for '74?

So, a final position of 10th – the lowest that the club had finished in since being promoted to the Premier Division– did seem to suggest a decline in the clubs' fortunes. But that would be completely wrong, as 1874's final standing was hugely influenced by a difficult start to the season in which the loss of key players from the 17/18 campaign - allied to a cruel run of injuries to many of the clubs' key creative and attacking players - resulted in a somewhat disjointed first few months of the season and early exits in both the FA Cup and Vase.

Another factor that we probably didn't fully appreciate at the time was the impact that the untimely death in December 2017 of our inspirational and dearly loved Chairman Paul Stockton had on the club. It was therefore perhaps a fitting tribute to this wonderful man when, on the afternoon of Saturday 4 May 2019, his name was chanted aloud by the 500 or so '74 fans who had just witnessed their side lift its first major piece of silverware, an 88th minute goal by the Greens gave a deserved 1-0 victory over league champions City of Liverpool FC in the final of the NWCFL Macron League Cup.

This cup win proved to be a springboard for the club as from the very outset of the 2019/20 season it was clear that '74 would be one of the main contenders for the NWCFL title. Another good FA Cup run – which was halted at the 2nd Qualifying Round by an admittedly fortunate Whitby Town side – was the precursor to an astonishing league campaign that included a 15-game unbeaten league run – another club record.

But it wasn't just the results that were impressive, it was the swash-buckling, stylish passing and pressing style of play in which '74 played the game that brought them so many plaudits and admiration from other clubs and commentators from all quarters. But in addition to their verve and panache, the side also possessed a steely, never-say-die, attitude that that gained them several precious points from seemingly difficult positions. This left '74 in the box seat at the head of the league with 9 games left and 8 points ahead of second placed Warrington Rylands with a game in hand.

So, if there was ever a bunch of players and back-room staff that deserved to end a season celebrating a league title, then it ought to have been those fantastic bunch of players. But as you will know, the Covid 19 outbreak resulted in a sudden cessation to grassroots football and, heartbreakingly, players, officials and fans alike were denied seeing the league trophy being paraded around Townfield.

Although we didn't know it at the time, '74's elevation to Step 4 was only to be delayed by 12 months as due to the re-organisation of the National League Pyramid, 74 became eligible for promotion to the newly created Northern Premier League West. And to celebrate this elevation, on 24 July 2021 the Greens became the first club in the 40+ year history of the competition to retain the NWCFL League Cup by convincingly defeating Runcorn Town 6-3 in the much delayed 2019/20 final.

Life during our first campaign as a Step 4 club was inevitably challenging at times. As a small fish in a much bigger pool, almost each week we faced by clubs with far greater resources than we have at our disposal. So, a final finishing spot of 12th out of 20 was a highly satisfying end result. It might have been even more impressive had our home form had been a little more consistent!

At one stage in our second season, it seemed as if we'd comfortably better the previous season's showing, but a lacklustre end to the season eventually saw '74 slip to 14th place. The undoubted highlight on the pitch was the deserved 1-0 away win at eventual champions Macclesfield, a game that was witnessed by over 3500 fans.

At the end of the 2022/23 season, The Pitching In Northern Premier League bestowed the Club of the Season award to 1874, for maintaining exceptional standards on and off the pitch. Suffice to say that everyone at the club was hugely proud of this prestigious award and this was more evidence if needed that our club always aims to do things correctly.

But when it comes to '74 it's not all about what happens on the 6000 square metres of turf. You see, as a democratically owned and operated community focussed club, from the get-go, we made it a key priority to forge positive links and partnerships with the local voluntary and business sectors

So, over the past decade not only have we forged beneficial partnerships with many well-respected local companies including Britannia Carpets, OxyL-Pro and our newest sponsors Shadow Foam, but we've also developed excellent relationships with our chosen charity partners, which have included the Mid Cheshire based Neuromuscular Centre, St Luke's Hospice, and the children's hospice 'The Joshua Tree'. In addition, regular collections have also taken place for local food banks, homeless people shelters, The Samaritans, Armed Services veterans, and a myriad of other deserving causes as well as attendance at community events.

The 2014/15 season also saw the club run an U21 side and since then, several of their number have now progressed to the First-team squad and beyond. More recently, 1874 have fielded sides at junior level and the establishment of these teams has acted as a stepping stone towards the creation of other sides covering all age groups, genders, and abilities.

Mention of which reminds us that, along with the Cheshire FA, '74 have also played a major role in establishing local 'walking football' sessions each week which have proved to be hugely popular with the 'more mature' gentlemen of Mid-Cheshire, most of

whom had probably thought that their playing days were well behind them! So successful has this initiative been that we're now operating a popular session for women aged over 40, the majority of whom never had the opportunity to play the game.

2019 was also a landmark year off the field as for the first time the club finally played within the boundary of the town of Northwich following the signing of a 2 year agreement to share Barnton's Townfield Lane stadium. A huge amount of work was undertaken to improve the facilities for players, officials, and supporters alike as well as meeting the ground-grading requirements that were necessary for promotion to Step 4. The agreement was extended for a further 5 years last season and both clubs are now working to develop a longer-term vision for the ground.

So, overall, 1874 is a club that is most definitely on the up!

But any progress that we may make will be achieved in a responsible and sustainable manner. Indeed, one of our main principles is that we will not jeopardise the long-term interests of the club by spending money just in order to ensure success on the pitch. At times, such a policy makes matters difficult and frustrating, but given the memories and experiences we all shared as fans the club we once followed, it is a path that we will not deviate from.

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.

1874 NORTHWICH - PROFILES 2023/2024

The Management Team – Since April 2017, 1874 have been guided by the managerial duo of Paul Bowyer and Wayne Goodison.

Telford born Paul – who is a teacher by profession – joined '74 at its inception and played in the club's historic first game against Lostock Gralam. After initially playing in the youth teams of West Brom and Shrewsbury, the rest of Paul's playing career was spent in the National game system with Market Drayton and the Cheshire trio of Nantwich, Congleton and Alsager Town but also included a short spell in Wales with The New Saints.

In comparison, Wayne spent the majority of his career in the Football League, firstly with Barnsley – where he served his apprenticeship - and then Crewe and Rochdale, chalking up a total of 209 league games. Since his playing days ended, he's held a number of management posts, including at Buxton, Trafford, Salford City and Chorley. In addition to obtaining a degree in Football Coaching & Management from UCFB, Wakefield born Wayne followed this up by gaining a postgraduate Masters in Football Coaching & Practice.

Dayo Adekoya – Born in the Netherlands, 23 year old Dayo recently teamed up with '74 having previously played for Welsh Premier League side Airbus UK. Now based in Manchester, he can play as a right-sided attacker or as a more traditional centre-forward.

Sam Adetiloye – Having spent the 22/23 pre-season with '74, Sam returned to Townfield towards the end of the campaign and impressed many '74 fans with his powerful performances in the midfield. Having spent the earlier part of his career with Salford City, Sam has also appeared in the colours of Widnes, Ramsbottom United and Padiham.

Jason Akiota - A former Crystal Palace academy player at U18 and U23 levels, Jason also represented Nigeria at U17 level. More recently he has featured in the Irish League with Portadown as well as having spells at NPL Premier outfits Hyde United and Farsley Celtic and our fellow NPL West clubs Widnes and Clitheroe. A strong and committed full-back, Jason will bring a solid presence to the defence.

Ellis Allen – Originally a trainee with Oldham Athletic, Ellis left Boundary Park in the summer of 2020 and had spells between the sticks at Cypriot club APEA Akrotiri, Holywell Town in Wales and Whitchurch Alport before joining '74 in the summer of 2022. Unfortunately a freak accident whilst he was on holiday curtailed his season after just 8 appearances. Happily now fully recovered, Ellis will no doubt be looking to make up for lost time this season.

Ollie Broe - Liverpool born Ollie is a versatile lad who can play on the right or left side of defence or midfield, and made 22 appearances for the club during the 2022/23 campaign. Originally part of the Academy set up at Anfield, the 21 year old has also represented City of Liverpool, Litherland REMYCA, Farsley Celtic, Mossley and Widnes.

Eric Byrne – Aged just 17, Eric made a big impression in his first year in senior football last season whilst playing for Runcorn Town. Merseyside-based and formerly with the Tranmere Rovers youth academy, Eric has demonstrated a great work ethic and maturity in possession during the pre-season build up – which will no doubt go down well with the fans here at 1874.

Maxwell Chimenes – One of the newest recruits to the '74 cause, 22 year-old Max arrived at Townfield from fellow NPL Division 1 West side Newcastle Town in September. A former Port Vale academy graduate, Max had played 17 games for the Staffordshire club – mainly as an attacking midfielder or striker - before heading up the M6 to Cheshire. During his earlier career Max has also spent short spells with Glossop and Midland League side Shifnal Town

Jamal Crawford – A pacy and direct winger, Jamal originally joined 74 midway through last season, but opted to join Runcorn Linnets after making 18 appearances, 11 of which were from the bench. 24-year old Jamal started his career as a junior with Burnley and after a short stop playing in Wales for Llandudno, he returned to England and went onto appear for a number of clubs including FC United, Chester, Hyde United, Curzon Ashton, Bamber Bridge, Glossop, Trafford and Widnes.

Gabe Ellis - A natural centre forward, 19 year old Gabe came through the youth ranks at Accrington Stanley before moving into senior football with Skelmersdale, Ashton Athletic and Litherland REMYCA.

Matt Fenton – Originally part of Crewe's youth system and a graduate of '74's well-regarded U21 side, 22 year old Matt was pitched into the First XI towards the end of the 21/22 season and acquitted himself extremely well in his ten outings, which included three bullet-headed goals. Assured, calm and strong in possession, Matt went onto establish himself as a regular last season, chalking up 41 games in which he netted a total of 5 goals – an impressive tally for a central defender!

Fenton Green – A central midfield player who was at Crewe Alexandra's academy, the 20 year old impressed many '74 fans during the 22/23 pre-season build up with his measured, calm performances and went onto play 30 times scoring 3 goals. During his last season with Crewe, Fenton had stints at Hyde United and Stockport Town.

Michael Ibeto - A strong, athletic and quick central defender Michael played over 30 games at Abbey Hey last season and went out on trials at Wycombe Wanderers and Stoke City in the summer before teaming up with '74 in early September

Mark Jones – 1874's Mr Reliable, Mark is an unflappable, cultured player who has played a major role in our success over recent years since arriving in the summer of 2016. Now with over 200 games for the club under his belt, he is versatile operator who can play equally well in midfield or the centre of defence. Now aged 37, Mark counts Witton, Nantwich and Radcliffe amongst his earlier ports of call.

Jack Marrow – After completing his scholarship with Crewe Alexandra, 21 year old Jack joined '74 in the summer of 2021 but made just 2 appearances before injury put paid to his season. A loan spell at Alsager aided him in his recovery, so much so that he went onto play a total of 35 games for '74 last season, scoring twice.

Gabriel Mooney-Munoz – A pacy, exciting and skilful left sided player, who is one of a number of new faces who have joined the '74 cause this summer, Spanish born Gabriel was snapped up from our near neighbours Winsford United for whom he played 52 times last season. Prior to joining 'The Blues', Gabriel had featured for Madrid-based club CD Canillas - for whom both of Zinedane Zidane sons have played for - before spending a season with Wythenshawe Town

where he was voted as Player of the season in 2021/22. He's currently a Sports and Exercise Science Student at Manchester Metropolitan University

Siyam Muhammad - This pacy and skilful 23-year-old winger joined '74 towards the back end of last season from Northwich Victoria. Prior to that had represented Manchester League outfit Gorton.

Benji Mullarkey - A new face to the club, Warrington-based Benji joined up during the summer having fitted in well through pre-season, appearing in both defence and midfield. The 23-year-old had been on the books of Crewe Alexandra as a junior before a period away from the game. He had recently represented Leeds University whilst studying for a Degree in Economics.

Jamie Nicholson - A forward who can play anywhere along the front line, Jamie's game will bring flair to the club and could prove a shrewd signing by the management team. A former youth player with Morecambe, 19 year old Jamie impressed 'The Shrimps' Senior Team management to the point that he was in the match day squad when the Lancashire club played at Tottenham Hotspur in the FA Cup in January 2022. Last season Jamie played for Ashton Athletic in the NWCFL and prior to that he also had short spells in the NPL West with Clitheroe and his home town club Skelmersdale United.

Isaac Noble – An exciting and pacy left winger of whom much is expected, 20 -year old Isaac is one of many young lads who have made the step up from the U21 side to the first team and has so far made 23 appearances for the club, scoring twice.

Lucas Weir – After initially featuring for our U21 side, 23 year old Lucas broke in to '74's first-team in 2018 and quickly became an important part of the side, developing into an all-round midfield player who could also play in defence when the need arose. After taking a break away from the club to play and study in the US in early 2019, Lucas returned in 2020, and after a spell of real consistency he was snapped up by NPL Premier Division side Marine AFC and went on to feature over 30 times for the Crosby based club. We couldn't be happier to welcome back a player of Lucas's talent and personality to the '74 fold!

Elliott Williams – This one-time Glossop player signed forms for '74 early in the season after impressing in a friendly against local side Knutsford. Aged 21, Elliott – who usually operates in one of the full-back positions -has also spent some time with Exeter City.

Matt Woolley – The club captain, Matt is also '74's longest serving player having made his debut as a substitute in the 2014 Boxing Day game at Widnes. A Northwich lad, he was signed from Cheshire League side Knutsford FC having had prior spells at Congleton Town, Alsager, Witton Albion and FC Halifax Town. Unsurprisingly he's now chalked up over 350 games for the club, netting approaching 50 goals in the process.

HISTORIES AND PROFILES

TODAY'S VISITORS: AVRO

HISTORY

The history of our club begins in the years just before the start of the Second World War. A.V.Roe established an aircraft factory which was situated in fields at the end of Moston Lane in North Manchester. The factory would become the manufacturing home of the famed 'Dambusters' aircraft – the Avro Lancaster, as well as the famous Cold War 'V' bomber - the Avro Vulcan. A.V. Roe purchased a smaller factory in Failsworth, where the Lancaster Social Club was located.

1936 saw this 16th century Lodge purchased by the AVRO works manager Mr Roy Dobson prior to the company opening their main Chadderton factory. In 1950, the Lodge was opened up to all personnel of Avro and took on the Lancaster Club name. The Grade II listed Lancaster Club then became the clubs headquarters for the next 67 years. We joined the Manchester League in 1954/55 season and won the Division I Championship in 1988/89 and re-established our junior teams, but lasted just three seasons in the Premier Division before being relegated in 1991/92.

We again won Division I in 2003/04 and promotion to the Premier Division, but we were again relegated after three seasons in 2006/07. We bounced back immediately and were back in the Premier Division in 2008/09. There followed success with us capturing the Manchester League Premier Division title in in 2009/10. By this time Oldham Council had bought the Lancaster Club land from Oldham Athletic FC who had purchased it as part of a plan to build a new stadium on the site, which never materialised. After a lot of hard work and liaising with Oldham Council and various other parties by Chairman Rob Fuller, we were granted a lease on the former Whitebank Stadium in Limehurst Village, Oldham. Again, after an enormous amount of work to bring it up to standard, this has become our new home ground; The Vestacare Stadium.

In Summer 2017 the new management team of Lee O'Brien and James Hampson took over and along with 1st team coach Paul Armstrong and goalkeeping coach Paul Urbano they led the team to Manchester League

Premier Division title, and the Manchester FA County Cup in their first season. The move to the new stadium allowed the club to pursue its ambitions of Step 6 football which was achieved in 2018 with promotion to the NWCFL Division I North. In our first season in NWCFL we reached the semi-final of the Macron Cup, and the final of the First Division Cup, as well as reaching the 3rd Round Proper of the FA Vase. In the league we finished runners-up to Longridge Town and were promoted as one of the highest points per game clubs in the country.

Our first season in the NWCFL Premier Division 2019/20 saw us consolidate and finish a respectable 12th position after 30 games, the season being curtailed by the Corona Virus outbreak of course. We also made a first appearance in the FA Cup, losing to Litherland REMYCA. In the curtailed 2020/21 the team finished on Boxing Day top of the Premier Division after some excellent performances, particularly away from home. The 20/21 FA Cup ended in a defeat at home to Bootle after a performance that very nearly took the Merseysiders to penalties.

January 2022 saw the resignation of our successful management duo of Lee O'Brien and James Hampson with the club sitting in a highly respectable 5th position in the Premier Division. Chairman Rob Fuller and the board acted swiftly and appointed from within and player Alex Frost became the new manager, appointing the highly experienced Phil Edghill as his right hand man. The positive results continued in the league and we finished in a very creditable 6th position. During the close season the new management team recruited excellently and also tied down on contract many of our squad and we headed into the 2022/23 season in a strong position but knowing how tough the battle would be to secure a promotion place.

We hit the ground running and recorded a club record 720 minutes without conceding a goal, Emley in the FA Vase being the first team to score against us on 26th August 9 games into the season. That consistency continued through the season and we suffered consecutive defeats on only 2 occasions, finishing the season with fewest goals conceded in the NWCFL Premier Division in 2nd position. That led to a play-off final at NPL side Lincoln United, an historic day for the club as goals from Tom Bentham and Jack Morrow in a 2-1 win fired us up into the Northern Premier League, a league we are immensely proud to become members of, and you can be sure that we will be looking to make our mark in the 23/24 season at Step 4.
